This Office-Order is regarding instruction for the participation of fencers in the International Competitions that are sanctioned by the Sports Authority of India.

The Sports Authority of India requires the submission of the Utilisation Certificate for the competitions that our fencing teams participate at the 'Cost to Government'. In this regard, the actual bills of boarding expenses play a crucial role in the utilisation of the funds from the government.

It is hereby informed, that the fencers/team officials that participate in international competitions will be reimbursed for their boarding expenses only as per the amount of actual bills that will be submitted by them upon their return from the competition. If somehow, the boarding expenses exceed the sanctioned limit, the same will only be reimbursed to the tune of the sanctioned amount.
